## 7. Interest and charges on borrowing

### a. Overdrafts (over 18s only)

Once you've agreed your overdraft with us, you can use it at any time you need within your overdraft limit, subject to terms and conditions. Overdraft interest is charged on the amount you've borrowed at the stated rate for your account, as long as you're within your overdraft limit. Interest rates may change. Overdrafts are not available on a Dual Account, Service Account, Adapt Account, Facility Account, Standard Account and Foundation Account. Lending is subject to credit review and approval. An overdraft is repayable on demand.

Where you have agreed an overdraft limit, you pay interest at the overdraft rate shown below or the interest rate set out in your facility letter. You will pay interest on the whole overdrawn balance. Fees and charges may also apply.

Charges: Overdraft Facility Fees are charged for overdrafts on the Current Account, Private Current Account and Current Plus Account as outlined below:

Overdraft Facility Fees	When is it charged	Charge
Overdraft Set Up Fee	This is a charge you pay whenever new overdrafts are set-up or when overdraft limits are increased.	€25
Annual Overdraft Fee	This is a charge you will pay annually on the 12 month anniversary of the overdraft set-up date. If you agree a new overdraft limit then the fee will be applied on the 12 month anniversary of the date the new limit was set-up.	€25

If you do not wish to retain your Overdraft you can avoid the Annual Overdraft Fee by cancelling your Overdraft before your overdraft anniversary date. Should you subsequently apply for a new overdraft, you will be subject to both the Overdraft Set Up Fee and the Annual Overdraft Fee charges as outlined above.

If you cancel your overdraft or account after the Overdraft Set Up Fee or Annual Overdraft Fee has been applied you will not be subject to a fee refund, unless you do so within the 14 day cooling off period. Where you decide to cancel a new overdraft facility within the 14 day cooling off period the Overdraft Set Up Fee will be refunded.

**Warning: If you do not meet the repayments on your credit agreement, your account will go into arrears. This may affect your credit rating, which may limit your ability to access credit in the future.**

### b. Unauthorised overdraft – interest and charges you will pay

Your debit balance should not exceed your overdraft limit. If your account overruns without formally agreeing an overdraft or you exceed your overdraft limit, this is called an Unauthorised overdraft. When this happens you will incur Unauthorised overdraft charges. You will also pay Unauthorised overdraft Interest.

If you have not agreed a suitable overdraft limit in advance and there is not enough money in your account we may not always be able to permit an Unauthorised overdraft. We may not be able to pay your cheques, standing orders, direct debits or future-dated payments, including those to an Ulster Bank loan and we will charge a fixed amount for each item we do not pay (see the table above). An Unauthorised overdraft will incur higher interest than overdrafts that have been agreed, and should be avoided.

#### Interest

If your account becomes overdrawn without an overdraft or you exceed your overdraft limit, you will have to pay Unauthorised overdraft Interest on the excess balance. Unauthorised overdraft Interest consists of the overdraft interest rate for your account type plus an additional 9% (variable) surcharge rate.

Unauthorised overdraft interest will also apply if the overdraft facility has come to an end and we have not agreed to renew it.

#### Charges

You may also have to pay the following charges.

	Why is it charged	When is it charged	Charge
Referral item (Irregular Account charge)	This is a charge we make whenever your account goes into an Unauthorised overdraft or we have to extend an overdraft due to transactions you have carried out where you do not have enough available in your account.	It is charged each time you make a transaction and we add it the following business day.	€4.44
Unpaid item (Unpaid Outwards Charge)	This is charged when we return an item such as a cheque, direct debit, standing order or future-dated payment because you do not have enough available in your account.	This is charged for each item and taken from your account as and when a payment is returned.	€12.70

**Warning: If you do not meet the repayments on your credit agreement, your account will go into arrears. This may affect your credit rating, which may limit your ability to access credit in the future.**

## 8. How to avoid paying fees and charges

If there are payments such as direct debits, standing orders, cheques, future-dated payments and so on due from your account, please make sure you have enough in your account to meet these payments by close of business on the working weekday before the amounts are due. If you do not, it will result in an Unauthorised overdraft and we will charge surcharge interest and fees.

If you have an overdraft, always make sure that you keep within your overdraft limit. This will mean you avoid unnecessary charges on your account.

You can check your balance at any time online or by phone on Anytime Banking.

Please contact your branch if you would like to discuss your financial needs further, and for more information on managing your account.

If you can commit your money for a longer term you could enjoy a fixed rate of interest for a fixed period of time, meaning you will know in advance how much interest you will earn.

Anyone over 18 can open a Money Desk Deposit. For administration purposes, we require you to open an instant access account (i.e. an account that does not require notice of withdrawal) with us in the same name as the Term Deposit, if you do not hold one already. The instant access account will be used for the processing of funds placed on and maturing from your Term Deposit, together with interest due to you.

The rate is fixed for the deposit term. For details on applicable rates and terms, please contact your local Ulster Bank branch. Interest is calculated daily and paid on the day the term ends. Withdrawals are only permitted from the account on the maturity date. You cannot withdraw funds during the term.

### Loss of Interest on Early Termination:

If you change your mind about opening your Money Desk Deposit, you have a 14 day period from the date your account is opened in which you can cancel your account without incurring a loss of any interest already earned. We will return your deposit, including all interest due to you, to your servicing account.

After the 14 day period in exceptional circumstances and at our absolute discretion, We may let You terminate your Money Desk Deposit early. Customers who open a Money Desk Deposit on or after 01 October 2015 will incur a loss of interest if the account is terminated before the Maturity Date, equivalent to:

- 45 days gross interest for terms up to and including 6 months.
- 90 days gross interest for terms greater than 6 months.
- The number of days' interest loss will not exceed the number of days' interest earned at date of early termination.
- In the event of death or financial hardship, You may not incur a loss of interest.

If you wish to cancel or terminate your Money Desk Deposit, you must confirm your decision in writing addressed to your branch. Please see our online branch locator at [UlsterBank.ie](http://UlsterBank.ie) to find your local branch address. You can then either post your written notice or hand it in.

Your deposit and any interest earned on your account by the date of closure less any loss of interest as a result of early termination (if applicable) will be paid into your servicing account.

Where your funds roll over for the same term again at maturity, you have a period of 14 days from the Maturity Date in which to contact us to cancel your Money Desk Deposit without incurring any loss of interest.

In most cases, you can withdraw funds up to your daily withdrawal limit, provided there are sufficient funds in your account. Within Europe, some cash dispenser networks have imposed a maximum value of around €200 per transaction. To withdraw more than this you will have to carry out more than one transaction.

There is a daily limit for cash withdrawals using a Visa Debit card in any other bank, travel agent, bureau de change or other outlets displaying the Visa logo. Details of the limit are available on request from your branch.

### Government card duty

- A Government Stamp Duty charge of €0.12 is applied to each domestic cash withdrawal made at an ATM. The total fee paid per annum per card is capped at €2.50 on ATM only cards and €5 on combined ATM and debit cards, and is applied annually in January.
- You pay Government Stamp Duty of €30 a year on credit cards.
